Description of Incident

Provide a description of the incident and how you were victimized. Provide information not captured elsewhere in this complaint form.

Twitch Legal and Pokimane wrote a legally blinding contract of "undying love and appreciation" which Twitch Legal described as "included" as an ancillary service as part of Twitch Subscriptions. So the victim Bo Shang believed in Twitch Legal contract and had genuine affection for Pokimane so donated \$5k or something while literally delivering packages for Amazon to pay for the donations. Then Bo realized there were many other victims like himself in America and around the world. Then Bo realized Twitch does A LOT of other EXTREMELY ILLEGAL AND ABUSIVE stuff, so Bo decided to investigate which required a bit more Vyvanse than he was prescribed, leading to unfortunately some family misunderstanding and hospitalization because Bo actually did report *some* Twitch crime early enough but the cops ignored him. So that's why Bo turned to illicit "Adderall" in the first place, to investigate crime on the cops' behalf. Anyways Bo suffered like 5 years of lost wages and extreme amounts of pain and suffering. Bo really hopes the FBI finally helps the American people by enforcing criminal laws for once.

A few laws that may be relevant are 18 U.S. Code § 1343 - Fraud by wire, radio, or television and 18 U.S. Code § 241 - Conspiracy against rights.

The Conspiracy against rights part could mean a lot of things, but one example is how Bo told Twitch about the "undying love and appreciation" contract then Twitch secretly told Pokimane to remove it for legal reasons but banned Bo's 1st amendment rights to give them legal advice for "harassment."

A LOT of people; Pokimane sold her legally binding "undying love and appreciation" to LOTS of people; there are LOTS of illicit gambling; and over-gaming has to abuse people with disabilities, so has to violate criminal laws of some sort
